1. **LEGISLATIVE REQUIREMENTS:** The Ryan White legislation, 42 USC §300ff-12(b)(6), et seq, requires Planning Councils to develop procedures for addressing grievances with respect to funding recommendations, including procedures for submitting grievances that cannot be resolved in binding arbitration. The legislation requires that these procedures be described in the Bylaws of the Council and be consistent with model grievance procedures by HRSA.
-
2. **PURPOSE:** The Council’s grievance policy provides a process that enables individuals or entities to exercise their rights to file an informal or formal grievance regarding specific Council policies and procedures and their implementation with respect to:
 - 2.1 Addressing the Priority Setting and & Resource Allocation process;
 - 2.2 Preventing avoidable grievances and resolves complaints at the informal level whenever possible;
 - 2.3 Ensuring that each grievance is addressed and resolved fairly AND quickly;
 - 2.4 Meeting HRSA’s requirements and represent sound practices for the TGA; and
 - 2.5 Ensuring that any other concerns related to the PSRA be referred to the Council Development Committee
-
3. **WHO MAY FILE A GRIEVANCE:** Entities and individuals (“grievant”) within then TGA who are directly affected by the outcome of a decision related to the Priority Setting and Resource Allocation policies and processes are eligible to file a grievance this may include:
 - 3.1 Sub-Recipient eligible to receive Ryan White HIV/AIDS program funding;
 - 3.2 Consumer groups and PLWH caucuses; and
 - 3.3 Individual PLWH who are eligible to receive Ryan White services
 4. **ELIGIBLE GRIEVANCES:** Eligible grievances pertain only to the processing or establishing of priorities, allocating funds to those priorities, and any subsequent process to change the priorities or allocations. Directly affected parties may file a grievance about either of the following:

GRIEVANCE POLICY

-
- 4.1** Deviations from the Council’s established, written priority setting or resource allocation process and related policies, and
 - 4.2** Deviations from an established, written process for any subsequent changes to priorities or allocations.

Information Requests: If an individual wish to request information concerning Council process, Council decisions, or outcomes of Council decisions, *the individual must use the County of San Bernardino’s request for information process and not this Bylaws’ Grievance Procedure. If a grievance is submitted in which any information is requested, it will not be accepted as a Grievance but will be treated as a Public Records request and forwarded to the appropriate personnel.*

-
- 5. PROSPECTIVE IMPLEMENTATION OF SETTLEMENTS:** Any settlement reached through mediation or arbitration shall involve prospective (future) change. It shall not require reversal of priorities or categorical allocations made during the process that is being grieved. For example, if a mediation or arbitration agreement specifies that a Council policy, process, or procedure should be revised, the revision shall be made and then applied in future decision making.

-
- 6. DISPUTE /PREVENTION:** The Council recognizes that the best way to deal with grievances is to prevent them. The Council shall make all reasonable efforts to prevent circumstances or situations regarding the priority setting or resource allocation processes that could give rise to a grievance. Prevention efforts shall include at least the following:

- 6.1** Annual review and updating of priority setting and resource allocations (PSRA) procedures and related policies and procedures.
- 6.2** Use of clear written PSRA and related policies that describe how decisions are made and are available to both Council members and affected parties.
- 6.3** Training for new Council members and refresher training for all Council members prior to the PSRA process each year, to ensure that they understand and are prepared to follow PSRA and other Council policies and procedures.
- 6.4** Presentation of the process at the beginning of the PSRA or reallocations process, along with related policies, especially Conflict of Interest, to ensure understanding of how they apply to and during the process.

- 6.5 Identification at the beginning of the process of those Council members that have met any training or data presentation participation requirements and are eligible to participate in the decision-making process, and exclusion of any members who have not met these requirements.
- 6.6 Clear instructions to Council members to ensure that if, during the PSRA or other decision-making process, they believe adopted policies and procedure are not being followed; they respectfully but immediately bring their concern to the attention of a Co-Chair or other officer.
- 6.7 Specific opportunities for interested parties to provide feedback on ways the decision-making process can be improved in future years.

7. **INFORMAL GRIEVANCE PROCESS:** When potential grievances arise, first steps shall involve informal conflict resolution efforts before the concern becomes a grievance. When a grievance is filed, the initial approach will be non-binding negotiations. For cases that cannot be resolved in this manner, subsequent steps shall be undertaken, with binding arbitration as a last resort.

Efforts to prevent formal grievances shall include the following:

- 7.1 The Vice Chair shall serve as the Council's designated point of contact for a grievant with an eligible grievance as defined at section 5 above. A grievant that appears to have stood to file a grievance and has concerns regarding adherence to established, written processes that are covered by these grievance procedures shall be encouraged to express these concerns to the Vice Chair directly or through the Council Support Staff at the earliest opportunity. In order for the informal process to have time to work, the contact must be made within ten (10) business days after the disputed situation occurred.
- 7.2 In any situation where the Vice Chair has a real or perceived conflict of interest or inability to play a neutral role, the Community Co-Chair will appoint another Officer or Committee Chair without such a conflict to handle that situation.
- 7.3 The Vice Chair shall log (**Attachment A**) all such contacts and discussions, recording the date, affected party name and contact information, summary of grievance, and the date of the event that led to the grievance.
- 7.4 The Vice Chair shall meet with the grievant to review the expressed grievance. The discussion will occur within five (5) business days after the grievance is brought to the Vice Chair or Council Support Staff. The Vice Chair or Council Support Staff will explain the procedures used and the rationale for the decision in question, and will provide other information as appropriate. The Vice Chair may involve the Co-Chairs or other officers as needed. Where possible, the grievance will be resolved through this discussion. The Vice Chair may not make commitments on behalf of the Council, but may

agree to bring the grievance to the Council or the appropriate committee and will summarize the discussion in writing and provide the report to the Co-Chairs and to Council Support Staff for the files.

- 7.5** If these efforts do not resolve the grievance, the Vice Chair will ensure that the grievant receives written information about the grievance process, timeframes, and how to file a formal grievance.

- 8. OVERVIEW OF FORMAL GRIEVANCE PROCESS:** Formal grievances will be handled through the following steps, each of which may lead to a resolution. If that step is not successful, the grievant may move to the next step.

The steps are as follows:

- 8.1** An internal review shall be conducted to determine whether the grievance and grievant have standing under these procedures;
- 8.2** An internal hearing to explore the facts and seek resolution;
- 8.3** Non-binding mediation; and
- 8.4** Binding arbitration.

- 9. FILING A GRIEVANCE:** The grievant must submit a written Grievance (**Attachment B**) Intake Form within twenty (20) business days after the event on which the grievance is based. If no Grievance Intake Form is submitted within this period, the grievant will lose the right to file a grievance.

- 9.1** The completed form shall be submitted to the Council Support Staff office by U.S. mail with return receipt requested, electronic mail (with electronic signature), fax, or personal delivery during normal business hours.
- 9.2** Council Support Staff shall log in the grievance, and within three (3) business days after receipt will inform the grievant that the grievance has been received and provide a written summary of the grievance process, including steps, forms, and timelines.
- 9.3** Council Support Staff shall provide copies of the grievance to the Co-Chairs and the Vice Chair within three (3) business days after receipt.

10. DETERMINATION OF STANDING

- 10.1** Upon receipt of a grievance the Grievance Committee shall be convened as specified in section one (1) above. Within five (5) business days of receiving the grievance, the Grievance Committee shall determine whether the grievant or grievance have standing.

11. INTERNAL REVIEW AND HEARING

- 11.1** If a grievance and grievant are found to have standing, the committee shall conduct a review of the circumstances and information available regarding the grievance and in most cases schedule a meeting at which the grievant shall have the opportunity to provide additional information and answer questions posed by the panel as input to their decision making. The committee will typically make its decision regarding the grievance and how it should be resolved immediately after the meeting with the grievant. This meeting and decision making shall occur within ten (10) business days after formation of the committee.
- 11.2** The Vice Chair shall arrange for staff to send the recommended resolution to the grievant, by certified mail, within three (3) business days after the date of the review.
- 11.3** If the grievant finds the report satisfactory, the grievant will indicate acceptance by signing one copy of the report and returning it to the staff.
- 11.4** If the grievance is denied or if the grievant is not satisfied with the resolution in the report, the grievant may request formal non-binding mediation.

12. NON-BINDING MEDIATION

- 12.1** The grievant shall have ten (10) business days from the date of receipt of the written report from the committee to request mediation, using a Request for Non-Binding Mediation Form (**Attachment F**). The form may be delivered to the Council Support Staff office via U.S. mail, return receipt requested, electronic mail (with electronic signature), fax, or personal delivery during normal business hours.
