our TGA. There was discussion about “medical home” dental services. The question was asked how hard is the referral process for dental treatment. Consensus was that referring to dental was not a hard process.

- R. Johnson from DAP explain the process of oral health referrals within DAP. DAP has a waiting list of 650
- RivCo does not have a waiting list, but does not provide all services
- The committee discussed possibly having to reassess what care would be provided under dental in the future
- It was noted that there may not be enough providers for oral health care
- Discussed having RWP present Provado reports when they are finished
- Committee will formulate some questions for Provado
- R. Johnson from DAP expressed that EIS is working well, identifying unawares, linking to care, keeping them in care.
- S. White and W. Edwards presented on strategies of linking care for the critically falling out of care.
